Coronavirus (COVID-19) Update

12th May, 2021

Unfortunately due to the continually evolving impact of Coronavirus (COVID-19), the Pullman Brisbane Airport is currently closed to guests and will re-open in the mid-year.

Alternative accommodation is available at the Ibis Brisbane Airport adjacent to the Domestic Terminal at Brisbane Airport.

At Pullman Brisbane Airport, the wellbeing of our guests, visitors and team members is our highest priority and we look forward to welcoming you back to the hotel in the near future.

Kind regards,
